I agree with such a ban. Most people who have cosmetic surgery aren't happy with how they look. But having cosmetic surgery may not be the right way to change the way they see themselves.

Even if you are dating and you don't think you are good-looking, you should find someone who appreciates your character, not your looks. Your self-esteem should depend on who you are and what you do. It has nothing to do with beauty.

So let's protect minors from the dangers posed by cosmetic surgery.
